PREFACE

The Publishers, in presenting their 1921 edition of the City of Peterborough Directory, thank the people for the liberal support they have received.

THE SIGN OVER YOUR DOOR

It is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

The CITY DIRECTORY is where many people look when they want to find you. Make it easy for them to find you by putting in the Directory such Information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Willard STORAGE BATTERY

"T. R." Insulation Beats Re-insulation

"T. R." stands for "Threaded Rubber" of course—the insulation found only in Willard Batteries with the red trade-mark. The insulation that *lasts as long as the plates,* so that 90% of those who buy The Red Trade-Marked Willard have no re-insulation bills to pay.

There's a lot more of interest to you on this battery question. Come in and talk it over.
